“WHERE
DREAMS
HAVE WINGS”

April/May/ June 2024

Congratulations to our new competition students who were chosen to represent the competition team this year. They were presented with a wing pin from the studio to wear for good luck and an encouraging poem from a representative or their “big brother/big sister.” The mini’s also received a letter from their “big brother/big sister” with words of encouragement and/or advice as they were nearing their first time competing on stage.

Competition

Everyone did a great job for their first time performing this year. It was great to see them on stage and to see all the support they shared through the weekend, as well as the many accolades they received. Thank you to all the families for staying organized and helping to make the first competition run smoothly. We can’t wait to see everyone hit the stage again and show us what you got.

Recital: We are so excited to have our second annual recital coming up. More information will be coming out shortly. Please be patient as we put together and update our recital packets. We have added the start times for Picture Day, Recital Rehearsal, and Recital to this newsletter. Please take note that the start time for Recital is when the show begins. The plan is for students to arrive at 12:00pm, doors to open at 12:45pm, and the show to start at 1:30. All times are subject to change if needed.
